

The Federal Communications Commission

Dear The Federal Communications Commission,

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current service unaffordable.

If you feel that you need to tax something, place a \$5,000 luxury tax on all of those damned SUV trucks.

Keep the USF Fair!

Sincerely,

John Graves
